

Media Report 24 March 2023

This weeks media reports will cover and answer great questions veterans are still asking and local Media Articles and An illness or injury can have an impact on your ability to adjust to life after service. We all need healthcare services. The Treatment benefits program provides coverage for a variety of benefits and services to help you get—and stay healthy

Table of Disabilities

Introduction

The Table of Disabilities (TOD) is a legislated/statutory instrument used to assess the extent of a disability for the purposes of determining disability benefits. The Table considers the relative importance of a certain body part/system to assess the level of impairment and the impact that impairment has on the individual's quality of life.

VAC is modernizing the Table of Disabilities. [Learn more.](#)

More information

In June 2021, we started a multi-year initiative to modernize the Table of Disabilities. The update will ensure our approach to assessment reflects advances in health research and best practices, and will apply a Gender-Based Analysis Plus mindset throughout. [More information](#).
